

Dear Player,

Thank you for participating in this cancer event that is being conducted by the Ohio High School Fastpitch Softball Coaches Association. It is also recognized through the OHSAA as **STRIKE OUT CANCER and HIT IT HARD**. **STRIKE OUT CANCER and HIT IT HARD** was created in 2007 by the O.H.S.F.S.C.A. as a way to honor and celebrate the heroic fights against cancer by friends and families. Your team along with other high school softball programs throughout the state are being challenged to dedicate one home softball game to promote cancer education and awareness. Your team's goal is to raise money toward a cancer foundation of your team's choice. You and your teammates are encouraged to use the **STRIKE OUT CANCER and HIT IT HARD** donation sheet to help with raising money for your cause. If someone wants to write a check for a donation, please tell them make to make the check out to the foundation you are supporting. Your team is also allowed to do other forms of fundraising to raise money for their cause. Examples might include a raffle, shirt sales, pass a helmet around at the game, honor local cancer survivors etc.

Thanks for helping spread the word about cancer awareness,

Charles Tackett
Tippecanoe High School
